

**TRAILER HITCH COVERS**

**HITCH COVERS FITS CLASS III & IV**

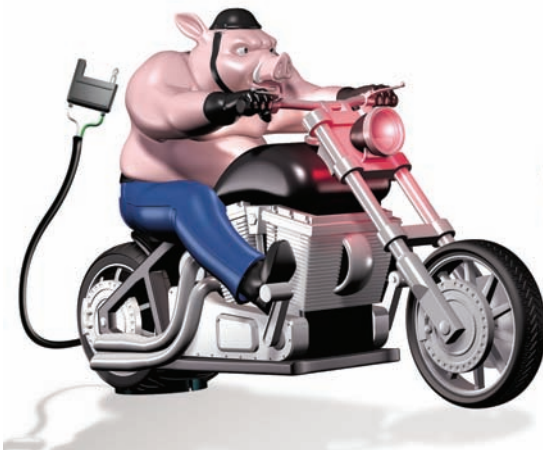

**HITCH CRITTER**

**BALL HITCH COVER AND BREAK LIGHT**

Made of Durable Rubber that is resistant to all of the elements. Installs easily over your 2" hitch ball and plugs into your 4-way flat trailer wire connector.

**HITCH**

As you apply the brakes he executes a perfect wheelie and lights up as a third brake light.

Blistered Pack

**NOVELTIES**

**HITCH1**  
Don't Shoot Deer

Step on the brakes and the front legs raise in surrender and the target on his belly lights up.

**HITCH2**  
Flopping Bass

Step on the brakes and its beady little fish eyes light up and its tail flops as if to make its escape.
